Free School Meals – Frequently Asked Questions

1) What is a Free School Meal (FSM)?

If you are eligible for FSMs for your child/children this is a legal entitlement. A Free School Meal should consist of a 2 course meal with drink (which may be water) at lunchtime.

2) Am I entitled?

Free School Meals are available to **eligible children from Year 3 / Key Stage 2 upwards only who attend school within Milton Keynes**. This includes sixth form students but NOT College or Further Education level students. If you live in Milton Keynes, but your child attends school in another Local Authority area (e.g. Bucks/Beds/Northants), you should apply via the Local Authority to which the school is linked.

For a child to be eligible for a FSM, their parents, carers, foster carers, or on occasion the child themselves (if over 16 and on benefit in their own right), need to be in receipt of at least one of the following benefits:

- Income Support
- Income-related Employment & Support Allowance
- Income-based Job Seekers Allowance (NOT Contribution Based JSA)
- Child Tax Credit with NO Working Tax Credit and where the annual gross household income is less than £16,190
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- **Universal Credit (when introduced in MK)**
- Support under Part 6 of the Immigration & Asylum Act 1999
- The guaranteed element of State Pension Credit

Pupils who are over 16, but still in statutory education, may receive Income Support in their own right. These pupils may be entitled to claim free school meals.

Parents/carers currently in receipt of Working Tax Credit do NOT qualify for Free School Meals, regardless of income.

However, parents/carers receiving Working Tax Credit who become unemployed can claim for free school meals **for a 4 week period** after their employment finishes. This also applies to parents/carers who start working less than 16 hours per week. Supporting evidence that shows your unemployment or reduction in hours will be required.

Part-time pupils are not entitled to free school meals even if the family receives one of the above benefits. Children must receive education before and after lunch to be eligible.

3) I receive Incapacity Benefit and/or Personal Independence Payments (PIP) (previously know as Disability Living Allowance). Do I qualify for free school meals?

Incapacity Benefit and PIP are not qualifying benefits for free school meals. Unfortunately unless you receive one of the qualifying benefits in addition to Incapacity Benefit or PIP, you will not be eligible to claim free school meals.

4) When should I apply?

You should apply as soon as possible from the time you become aware that you are entitled e.g. when you start to receive benefit, when your child starts school in Milton Keynes. You can apply at any time of year. **The system does NOT allow us to backdate claims and can only be authorised from the date they are received into our office. Until your eligibility is confirmed to the school by the FSM team, the school may require you to pay for lunches or to provide a packed lunch.**

5) Where can I get an application form?

You can collect an application form from your child's school, print one from the MKC website <http://www.milton-keynes.gov.uk/schoolmeals/displayarticle.asp?ID=72909>, or telephone the FSM team on 01908 254590 to request one be posted out to you. Application forms will also be available at MKC Council offices (Saxon Court and Civic Offices reception desks).

6) How do I apply?

Please complete ALL sections of the form, as clearly as possible in order to avoid unnecessary delays. You can return your form to your child's school and they can return it to the FSM team, on your behalf, via our internal post system; or you may send forms directly to our office. If you do not complete all the details this will delay your application and we will need to contact you. Some people are known by different names, please ensure when completing the form that you use the name that you have claimed your benefit under i.e. your legal name.

7) How do you assess my application?

We check entitlement to free school meals (FSMs) via a secure government website which links to your benefit providers. It will tell us if you are eligible for FSMs or not, but does not provide us with any other information. However, if the eligibility checking service (ECS) has not been able to verify your entitlement (there can be various reasons for this), then we will need to contact you and ask you to provide current proof of benefit.

8) How will I know if my application has been successful?

Once your form has been processed and eligibility checked, the FSM team will contact you in writing and also advise your child's school by way of a twice monthly report i.e. eligible, not eligible. We aim to process applications as soon as we are able. If we have any queries about your application we may contact you directly.

9) How do I contact the FSM Team at Milton Keynes Council?

Contact us at: Free School Meals Team, Children & Families Service Groups, Milton Keynes Council, Saxon Court, 502 Avebury Boulevard, Central Milton Keynes, MK9 3HS.

Tel: 01908 254590

Email: freeschoolmeals@milton-keynes.gov.uk

The FSM Team can only discuss your form by telephone between 9am - 1pm.

10) What if my circumstances change?

You need to contact the Free School Meals team immediately if:

- You or your partner start work or come off benefits
- Your benefit changes
- You change address or you move out of Milton Keynes
- Your child changes school
- You have another child starting school for the first time

Please do not assume your school will tell us about these changes. If you do NOT keep us up-to-date with the above, this could result in your claim being cancelled/queried when the monthly eligibility checking takes place. For example, if you do not tell us that your address has changed, it won't match up with the details on our system. Any free school meals provided after your entitlement ceases may be charged to parents by the school.

11) How often do I need to apply?

You need not re-apply/renew each year (as has happened historically). Using a new software tool linked to the eligibility checking system, we are now able to regularly check your **on-going eligibility**. **Once you have applied for free school meals you need not re-apply, unless it is for a new child.** Your entitlement will be checked on a regular basis i.e. monthly, to verify your continued eligibility. We will contact you should your status come back as changed.
