

Year Four - Science

The next science topic is all about healthy living and it starts with teeth!

Task 1

Create a fact file all about teeth, you can include:

- The four different types of teeth
- What their jobs are
- How to remember the names of the teeth

Task 2

Research and create a poster about keeping your teeth and mouth healthy

- Food and drink
- Teeth brushing
- Dentist
- What happens if you don't look after your teeth?
