

Year Six at Home Work Activities

Go through CGP revision books and practise old SATS papers using the link provided, www.sats-papers.co.uk/ks2-sats-papers/.

English:

Read the extract of the Maze Runner and continue the story.

Use www.onceuponapicture.co.uk, choose a picture, answer the questions and write a story about it.

Please practise your spellings using Spelling Shed.

Read your school reading books, as well as books for pleasure.

Find interesting words and then find as many synonyms and antonyms as you can with your interesting words. Keep a vocabulary diary.

Challenge: See if you can read more than 10 pages a day.

Extra challenge: What is the greatest number of pages you can read in a day?

Maths:

Practise your times tables on Times Tables Rock Stars.

Practise your methods of addition, subtraction, multiplication and division. Include decimals, fractions and percentages. Arithmetic papers will be a good place to practise these. Give some calculations to a member of your house hold to see if they can do them.

Topic:

To Infinity and Beyond

Visit the following website, <https://www.childrensuniversity.manchester.ac.uk/learning-activities/science/> and work through 'The Earth and Beyond' and 'Energy and Environment' sections. Write down what you have learnt on pieces of paper.

Ancient Kingdom of Benin

For our next topic, we will be learning about the Ancient Kingdom of Benin and we would like you to create a project about it! We would like your project to have the following: a contents page, information all about the Ancient Kingdom of Benin and pictures (either printed or hand drawn). You can present your project in any way you choose. For inspiration, here is a list of potential ideas, but don't feel like you are limited to these.

- **Poster** - **Model** - **Fact File** - **Video Presentation**
- **Diary Entry (as if you have been there)**
- **Quiz (with answers)** - **Scrapbook page/s**

We can't wait to see, and share, your projects! Happy creating! 😊
