

Year Four – work from home

Maths

Go on Times Table Rockstars as much as you can!

See how quickly you can complete a 12x12 times table grid then try to beat your time each day.

English

Keep a diary of what you get up to each day; make sure to include as much detail as you can. We would love to see some photos too!

Use Spelling Shed to practise as much as you can, we will set you many new spelling lists.

Reading

Read as much as you can. Read to yourself. Read to a family member. Read in silly voices.

Read, read, read! 😊

Topic

PROJECT WEEK!

Next term we are going to be learning about the Romans. To get a bit of a head start, we would like you to do some research about:

- What life was like for children
 - Food they used to eat
 - Jobs the men and women had
- When did the Romans invade Britain?

We want you to be creative with how you present your work. It could be as a 'Horrible Histories' style video, a PowerPoint, a large poster or something equally as creative. This is equal to 3 pieces of homework so we want it to be filled with information (in your own words!) and look fantastic!

PE

Create a circuit training session that you family can join in with. This could include: squats, star jumps, lunges or anything else you can think of.

Thanks,

Mrs Morris, Mrs Howell and Mrs Brodie-Shaw
