

Year Three Holiday Homework

Take a break from school work and have a go at some of these.

- Have a go at some Easter craft, e.g. make a chick or an Easter card.
- Make an Easter card for an elderly relative or neighbour and put it through their door or post it to them.
- Hard boil some eggs, decorate them and have egg races. (If mum and dad have enough eggs! Let them do the boiling, too!)
- Melt some chocolate, add your own flavourings and make your own Easter eggs.
- Make chocolate cornflake nests.
- Have an Easter egg hunt.
- Snuggle up with your family, watch an Easter movie and eat chocolate.
- Make a den in the garden.
- Enjoy the lighter evenings and play in your garden.
- If it rains, splash in the puddles.
- Help with the gardening.
- Do a bug hunt in the garden and draw what you see.
- Have a board games afternoon.
- Help mum or dad cook the dinner.
- Make sure you are keeping your bedroom tidy and helping mum and dad with the house work.
- Read a story to someone else in your house
- Facetime or call a friend or relative and read a story to them. (or with them if you both have the same book.)
- Make an Easter word search.
- If you still want to do some school work, read a book and practise your times tables.

Be good for mum and dad, be kind to your brothers and sisters and help out at home.

All the Year Three teachers miss you lots and wish you a happy Easter.
