

Writing – The Tiny Dragon

Questions for discussion:

Where is it from?

Why is it so small?

Are there more like him?

Where does he live?

How will you look after it?

Will you keep it a secret or tell someone?

What is it called?

Is it magic? What magic can it do?

I like to imagine that it is a really small dragon which you can keep in your pocket but when you need to it can grow huge so that you can ride it.

Your task

1. With your adult discuss the questions above. This will help you to write your story.
2. Plan a story about the tiny dragon. You can make notes or draw pictures to help you think of ideas.

How did the dragon get to you?

Where is he from?

Does he need your help to defeat a vicious monster?

Or does he need help finding his way back home?

How can you solve his problem?

Challenge

Include speech in your story. Remember to use the correct punctuation!
