

In the second verse, how does the author describe the Bandersnatch?

## Science

### Key words

*Appliance = a device or piece of equipment designed for a specific job.*

*Mains = the electricity supply that comes from power stations to households; we can access this through plug sockets.*

*Battery = a small device filled with chemicals that can power electrical appliances for a set amount of time.*

### Task

Look around your house, can you add appliances to this table that use mains power or battery power?

\*Challenge\* - can you find or think of any appliances that are both?
