

For your persuasive letter, you need to choose something that you have strong opinion about as your persuasive letter is going to one-sided to try and convince others to share your opinion.

Here are some ideas, but feel free to use your own.

Use this as your title/main idea.

1. Littering (I hope you're against it!)
2. School uniform (for or against)
3. Set bed time (for or against)

Introduction

- Why are you writing?
- What is your opinion?
- In this letter, I am going to give more detail about the reasons why I am for/against _____.

You need three good reasons with evidence to back up your opinion. Perhaps you've seen litter in your local area or read a news story? (Furzton Lake at the moment!). Maybe you could get a quote from a parent, friend, sibling or teacher with their thoughts on school uniform?

Argument 1

Argument 2

Argument 3

Conclusion

Finish with 2-3 sentences reminding the reader what your opinion is and what you want to be done about it.

This is a plan! Use it to make notes and write ideas. It doesn't matter if you make mistakes or change your mind, that's how we learn! 😊
