Dear Year Four,

I hope you are well and staying safe. I am writing to say thank you for all of the hard work that you have been doing during this very strange time, it has been great to see your work but also everything else that you have been doing. I have been so impressed with all the emails that you have been sent showing off everything that you have been doing at home such as riding bikes, going fishing, cooking, building forts, bug hunting and helping your families.

I have some questions for you! What is your favourite thing that you have done during lockdown? Have you learnt any new skills or got even better at something?

I look forward to getting your replies, remember too write me some questions so I can reply too.

From,

mrs morris

P.S. That's a made up address so please don't post anything to it!
