

Nouns

A **possessive noun** tells us who **owns** something.

When there is only **one owner**, we add **apostrophe s ('s)** to the owner.

The **wolf's** howl

The **child's** glasses

When there is **more than one owner**:

- if the owners already end in s, just add an **apostrophe**
- If the owners do not end in s, add **apostrophe s**

The **wolves'** howl

The **children's** glasses
