

BRAIN TEASER!

Fill in the grid below with the first nine letters of the alphabet:

A B C D E F G H I

The following rules apply:

1. No consecutive letters (letters right next to each other in the alphabet) are allowed in the same row horizontally or the same column vertically.
2. No row or column can contain more than one vowel.
3. B and E must be in the same column.
4. F cannot be in the last column (the rightmost column).
5. A must be in the bottom row.
6. C and G must be in the same row.
7. D cannot be in the bottom row.
8. I and H must be in corner positions.
