

# *The Eye of the Storm*

Opener - Describe the setting and describe how you are feeling. Finish the paragraph by talking about what you have done to the dragon.

Your memories - Describe putting the green liquid in the fire - what does it represent? Explain what you put into the fire and what they mean to you. Explain what is in the box and why you throw it over the side.

The storm - Describe going through the storm. How difficult is it to control the ship? Does this reflect any other time of your life?

The dragon - Describe finding the key on the floor and what you are thinking. Explain how you came to the conclusion to let the dragon go. What were you thinking as he flew away?

Going into the light - Describe making your final decision to go into the light. Setting your ship up to fly towards it. Getting everything ready and sitting in your chair going backwards.
