

A Mammoth Task

Our Learning Overview

In History, we will be:

Finding out how fossils are made

Using fossils to inform us about the past

Investigating our earliest ancestors

Exploring the skills our ancestors needed to survive

Use evidence to find out about prehistoric hunters

Learning about a river valley civilisation

Identifying the changes in Britain from the Stone Age to the Iron Age

In Art, we will be:

Creating prehistoric cave paintings

Making and decorating pottery

In Design and Technology, we will be:

Exploring the types of foods that our ancestors would have grown

Updating dishes that early settlers may have eaten

In Science, we will be:

Animals including humans

Identify that animals, including humans, need the right types of nutrition

Identify that animals, including humans, need the right amounts of nutrition

Understand that they cannot make their own food

Identify why humans and some other animals have skeletons and muscles

Rocks

Compare and group together different kinds of rocks

Describe in simple terms how fossils are formed

Recognise that soils are made from rocks and organic matter.

In Geography, we will be:

Using symbols and keys to represent ancient settlements

Identify local places of historical interest using maps

In International, we will be:

Identify ancient settlements around the world
