

Framed!

Our Learning Overview

In Art, we will be:

- Exploring the materials and techniques used by a range of artists
- Thinking about the reasons why certain art work could have been produced
- Looking at how photographers select, use and display their work
- Appreciating the work of artists and each other
- Interpreting the work of artists and each other
- Discussing how graffiti and street art can affect our environment

In Geography, we will be:

- Finding out how symbols are used on maps and plans
- Learning how maps, plans and globes can be used
- Exploring how the world can be recorded in aerial photographs and satellite images
- Locating major cities in the UK and explain their importance
- Locating counties in the UK and explain their differences

In History, we will be:

- Able to understand that the past is recorded in a variety of ways
- Finding out about the past by looking at portraits and photographs
- Recounting information about the lives of artists in the past and present

In Science, we will be:

- Classifying materials as transparent, opaque or translucent
- Investigating white light
- Finding out how colours can be separated
- Using filters to change colours
- Finding out how moving images are made

Living things

Recognising that living things can be grouped in a variety of ways

Exploring and using classification keys to help group, identify and name a variety of living things

Identifying the impact of a changing environment

Animals

Describing the simple functions of the basic parts of the digestive system in humans

Identifying the different types of teeth in humans and their simple functions

Constructing a variety of food chains, identifying producers, predators and prey.

Interpreting a variety of food chains, identifying producers, predators and prey.

In Design and Technology, we will be:

Using computers to generate art

Combining words and pictures to convey meaning

In Music, we will be:

Learning to use symbols are used to represent sounds

Exploring how visual images can inspire musical compositions

Using visual images to compose our own music
