

# De l'Afrique

## **Our Learning Overview**

### **In Geography, we will be:**

Finding out what a settlement is

Comparing the physical and human features of Milton Keynes and Porto-Novo

Comparing how the features of each region influence work, school and home life

Learning how to map and record geographical information

Mapping the distribution of natural resources in the world

Identifying the position and significance of the Northern and Southern Hemispheres

### **In History, we will be:**

Creating a map of the ancient Kingdom of Benin

Investigating the ancient Kingdom of Benin

Exploring the religious beliefs and festivals of the Benin people

Finding out what happened to the Kingdom of Benin

### **In Design and Technology, we will be:**

Designing, making and running a stall for Charity Afternoon

### **In Art, we will be:**

Research West African masks and costumes

Create an African mask for a masquerade

### **In Music, we will be:**

Learning about West African music

Creating their own musical performance to accompany the masquerade

### **In International, we will be:**

Finding out what it means to be part of a Global Village

**In Science, we will be:**

*Evolution and Inheritance*

Recognising that living things have changed over time

Understanding that fossils provide information about living things

Recognising that living things produce offspring of the same kind

Learning that offspring vary and are not identical to their parents

Identifying how animals and plants are adapted to suit their environment in different ways

Finding out that adaptation may lead to evolution.
