

Bradwell Village School

January 2024

Young Voices

Children from Year 3 and 4 had a great time at Young Voices! They made their teachers and parents very proud. It was a fantastic event and experience for all who went.

Year 3 Science Project

Year 3 have started additional science project this term where we are learning about how to become a fishkeeper. We started by looking at PH levels, this week we will be adding shrimp to the tank. We're looking forward to naming them all.

Polite Reminder

When you are coming into the school via the office, please ensure that you follow the path round rather than walking through the cars.

Strictly

Miss Allan and I would like to congratulate our strictly teams for their performances at the first competition last Saturday. We are beyond proud of them and are very grateful for the support from the parents. Looking forward to the final in June! Well done everyone!

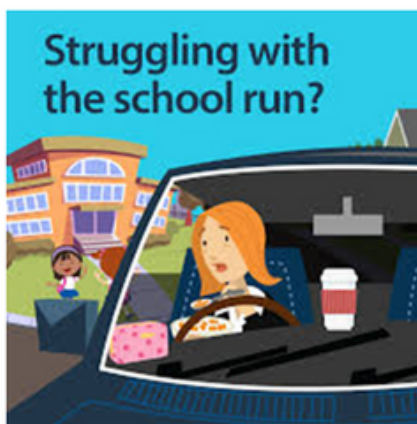

Mr Hawkins.

Morning Drop Off Sessions

Do you have work commitments?

Do you need to leave home earlier than usual?

We can offer a space for your child before school to socialise, read quietly or get homework support.

- Sessions start from 8am
- Register via the office
- £2 per session
- Book at least a week in advance
- Breakfast is not included
