Bradwell Village School 2014 Key Stage 2 SATs Results

	Level 4+	Level 5+	Level 6+
Reading	100%	68%	
Maths	100%	63%	15%
SPAG	98.5%	77%	12%

Please be aware that although 100% of our pupils who sat the tests achieved Level 4 or above in both Reading and Maths and all bar one child achieved Level 4 or above in Grammar, Punctuation & Spelling (SPAG), unfortunately we had one child absent during the tests which equates to 1.52%. The government's calculations will include this missing child, as shown in the table below.

Below is a table, inclusive of the absent child, showing this year's BVS's KS2 results compared to the National Average for 2013; the 2014 National Averages have yet to be published. As you can see, we have far surpassed the national average in all subjects, at all levels.
