Dear Parent/Carer

We have had a number of parents contact the school about home learning during the summer holidays. Please note we will not be sending home learning packs for the children to complete as we appreciate how hard you have all been working. If you would like to continue working with your child during this time, we have created a list of possible activities you might like to do.

- Play Times Table Rockstar/ spelling shed
- Read at least one book a week
- Learn a new skill
- Make a den in the garden
- Cook a meal for your family
- Have a water fight in the garden
- Make a rock creature-find a stone or pebble and paint it
- Write a letter to someone in your family who you haven't seen for a while
- Go strawberry picking
- Make your own ice lollies
- Play I-spy on a journey somewhere
- Create a tourist brochure for Milton Keynes
- Write/draw your favourite memories of your time in your year group or during lockdown
- Make a lockdown time capsule
- Write your wishes and dreams for life after lockdown
- Draw a landscape or seascape picture
- Keep a diary over the holidays
- Make a maths game to play with your family
- Play a board game with your family

We would like to take this opportunity to thank you for your support during these times. Your child's class teacher will continue to look at the home learning packs you have completed until the end of the school term.

Kind regards,

Miss Baldwin and Miss Wiseman
