

BRADWELL VILLAGE SCHOOL

YEAR 5 SUBJECT OVERVIEW FOR THE SUMMER 2022

Dear Parent/Carer

Our Topic is: 'I Want My Mummy!' We will be learning about life in Ancient Egypt.

Subject Overviews

English

This term we will be looking at 'The Highwayman' by Alfred Noyes. We will be reading and performing a variety of poetry, writing a diary entry as well as a narrative. In addition, we will continue to develop the basic skills of spelling and punctuation and grammar.

Mathematics

This term we will continue to develop our understanding in number, shape and space, measures and fractions, decimals and percentages. We will have regular mental maths sessions furthering the speed and recall of mental methods and multiplication tables.

Computing

In the first half of the term, we will be looking at the concept of algorithms being a set of instructions that can be followed to complete a task. This will continue on from previous learning on coding.

In the second part of the term, we will be introducing cryptography where we will be looking at the need for secure communication and how messages have been encrypted and decrypted over time using ciphers.

Games and PE

In Games and PE, we will be developing our athletic skills of running, jumping and throwing. In addition, we will be learning about orienteering during Outdoor Adventurous activities.

French

French will be taught by Miss Wiseman, through a variety of games and songs. The children will be revising food terms and writing longer texts. They will be learning about vocabulary associated with the beach and holidays.

RE/PSHE

In RE we will be continuing our learning on Islam. In PSHE we will be looking at relationships and lifecycles - including Sex and Relationships Education (further information about this topic will be provided later in the term). We will also continue to promote our school values.

Topic

This term our topic is 'I Want My Mummy' looking at the lives of the Ancient Egyptians.

In **History** we will be exploring the daily life of Ancient Egyptians and understanding how the Rosetta Stone was so important in deciphering hieroglyphics. We will learn about the pharaohs, including Tutankhamun, and the discovery of his tomb, plus investigating how the pyramids were built.

In **Geography** we will be creating a holiday guide for modern day Egypt.

In **Music** we will be continuing our learning using Charanga.

In **Art** we will be creating our own tomb wall painting. In addition, we will be designing and making an Egyptian head-dress.

In **Design Technology** we will be researching, designing and making a Shaduf.
