## *A Fantastic Year!*

As we draw close to the end of the academic year, I would like to express my thanks to our wonderful pupils for working so hard and to our parents for all your support. This year has been the first year in three that has been almost 'normal' and it has been fantastic for the children and staff to have enhanced curriculum opportunities with trips out of school and visitors coming in; we have missed this so much! Seeing so many adults coming in for Parents Evenings and Creative Weeks has been wonderful. At the end of every year we say goodbye to our Year 6 children, who all move onto secondary school, where we wish them every success and happiness. We also say goodbye to staff members, including Mrs Murray, Mrs Kemp and Miss Swain, who we are sad to see go. At this time of year we also look forward to welcoming our new children along with new staff; Mrs Leach, as a Yr5 Class Teacher, and Miss Forrow as a Year 6 Class Teacher. I would like to take this opportunity to wish all our children and families a happy and safe summer holiday and look forward to an exciting new term in September.

Kind regards,  
L Vincent.

# This Month...

## Sports Day

A huge well done to all the children who participated in sports day, they should be extremely proud of themselves. It was mine and Mr Yearsleys first sports day at BVS and we really enjoyed it. We would like to thank the parents who came to support and cheer on the children, the atmosphere you created really motivated them which had a massively positive impact.

A special mention to Caeruleus house who came out as overall winners! Well done Blue Team!

## YEAR 3 STONE AGE DAY

On Monday 4th July, Year Three had a visitor. Year Three impressed us all with the information they learnt this term and they were able to recall important facts during the day. Everyone had a fantastic time and they loved seeing the ancient artefacts.

"I most enjoyed the activities, like touching the artefacts. My favourite thing that I got to look at was the obsidian and the obsidian knife. I enjoyed dressing up. I learnt that there were different shaped skulls a long time ago and they have changed. – Frankie

I really liked Stone Age Day. I liked holding the tooth. I liked learning about all the different animals in the Stone Age. My favourite part of the day was when they passed the artefacts around so everyone could have a look at it. - Emily

# My experience in the Bikeability training

## by Luca

### The start

At the start of my Bikeability training, I was pretty excited to know how to ride on roads and get a full education on the subject. Everyone there was really nice to me and I enjoyed the whole course.

### The Bikeability Olympics

After I finished the Bikeability course, everyone that participated with me in the course, was given an opportunity to sign themselves up for the Bikeability Olympics. For some reason nobody decided to go to the tournament except me and when I heard that I would be going, I was ecstatic. There I won two gold, one bronze medal and brought home silver for the school all by myself !!!

### The awards

Then after the Olympics, in an assembly, I was given some papers about the next Bikeability tournament, where the awards ceremony was being held. When I arrived there, I was nervous at what was ahead of me but the people there were encouraging and teaching me new things. I got to be interviewed by the ITV network and we got to eat there as well for free. One of the teachers there taught me how to bunnyhop on a bike. Finally, after everything was done we got to the pyramid in Campbell Park, which was really fun.

### Summary

In conclusion, I really enjoyed this course with a passion and I hope next time there will be more people that come to the Bikeability courses. In the awards ceremony, the people there said that they are going to do this kind of thing every year.
